Re: Response to April 17, 2009 Letter "Russian River" Water Purveyors

Dear Lynn,

The actual diversion by Camp Meeker Recreation and Parks District in 2004 is as follows:

JUL 2004	2.012 MG	JULY 2008	1.442
AUG 2004	1.976 MG	AUG 2008	1.682
SEP 2004	1.772 MG	SEP 2008	1.114
OCT 2004	1.965 MG	OCT 2008	1.575

The average monthly service demand for the 320 active services was 3581 in July 2008; 4843 in August 2008; 3576 in September 2008; and 3814 in October 2008.

The District Board of Directors believe that the low daily usage per service of 120 gal/day/service to 160 gal/day/service is proof of adequate water conservation.

Yours very truly,

Hal Wood
